

Funeral Receptions, Wakes & Celebration of Life

Looking for a suitable venue to hold a funeral reception?

We will create a welcoming and sympathetic environment where you can share cherished memories of your loved one.

Coming to terms with the loss of a loved one is a difficult time. Organising a wake can cause further stress, which is why we are here to help you.

Whether you desire a traditional, formal reception or a more intimate, personal occasion, this is an opportunity to bring family and friends together to share fond memories and to say goodbye.

Our team has many years of experience in organising funeral receptions and wakes. From a simple buffet to a full meal, we can help with all the arrangements.
